

COVID-19 RACE DAY SAFETY PROTOCOLS

RUNNER SAFETY IS OUR #1 PRIORITY

It's time to cross the finish line together again! The 3rd annual Pearland Half Marathon & 10K will take place on March 21, 2021. We want to keep all of you safe and healthy out there so we will be implementing the safety measures listed below. This is an evolving plan to which we will adjust as necessary.

START

- Starting time windows will be assigned and limited in capacity.
- Please do not come to the start line before your assigned window.
- Runners will engage in a staggered, rolling start to maintain distancing.
- Each runner must wear a mask (provided in runner packet) from his/her car to the start line.
- Spectators are not allowed at the start area.

COURSE

- Trash cans for mask disposal will be available at the half mile mark.
- Runners may drop their mask at that point or continue to wear it.
- Runners are encouraged to remain 6' apart from other runners.

AID STATIONS

- Tables will be spaced out.
- Cups will not be passed out to runners.
- Individual bottles of water and Gatorade will be provided for each runner for touchless aid.

FINISH

- Finish chute will be split to minimize congestion.
- Masks will be provided to each runner immediately upon finishing.
- Runners must wear a mask, maintain social distance, and exit the finish area quickly.
- Spectators are not allowed at the finish area.

STAY SAFE!

Mask Required
When Not Racing

Please Stay
Socially Distanced

Wash Hands, Carry Sanitizer
& Avoid Touching Your Face

Stay Home If Sick
